Diuretica impropria calida, 252
Diaphoretica. 259
Discutientia, 265
Detergentia calida imbecilliter, 276
mediocriter, 278
Dissoluentia lapidem adhuc mollem, 305
[illegible] 293
Dentium dolori opposita, 354

E

ERucæ pini veneno opposita, 130
Ellebori albi veneno, 132
Exobstruentia temper. 162
Exobstruentia calida, 163
Excasperantia, 169
Extenuantia pinguedinem, 171
Errhina, 239
Expectorantia, 244
Extrahentia, 330
Emplastica, 364

Fri-

F

FRigida humida simplic. à 22. ad 24
Frigida sicca, à 25. ad 27
Frangentia lapidem, 299
Fœtum mortuum expellentia, 344
Fluxus sistentia, 364
Fellis viperini veneno oppos. 132
Fungorum veneno opposita, 133

G

GLutinantia, 177
Gargarismi, 343
Grumos disoluentia, 293
Ad grumum sanguinis, 942
Ad grumum lactis. 295
Gallico dolori opposita. 334
Glutinosa tantum, 365
Glutinosa cum adstrictione, 366

H

HEpatica cal. simplic. 96
Composita, 99
Hepatica frigid. simplic. 100
Composita, 101
Hysterica calida simplic. 106
Composita, 110
Hyosciami veneno opposita, 133
Hæmorrhoi morsibus opposita. 137
Humectantia, 171
Hydragoga benigna, 233
Furentia, 234
Hæmorrhoidum dolori opposita, 347

I

Ixiæ veneno opposita, 133
Ictui pastinacæ opposita, 139
Incrassantia, 273
Incidentia, 274
Intercipientia, 347

L

Laeuigantia, 170
Lenientia, 190
Lenientia alimentalia, 191
Lenientia in Officin Vsitata, ibid.
Lenientia crass-pituit. 195
Lenientia tenuem pituit. 196
Lenientia bilem feruidiorem, 197
Lenientia bilem crassam, 198
Lenientia melanch. 198
Lenientia. 296
Lapidem comminutum purgantia. 306
Lac generantia, 313
Lac extinguentia, 356

M

Magnetis veneno opposita, 133
Mandragoræ, 133
Morsui viperæ opposita, 135
Morsui { *Aspidum*, *Hæmorroi*, *Cerastæ*, *Scolopendræ* } 137
Morsui { *Mustellæ*, *Muris Aranei*, *Phalangiorum* } 138

Mor-

Morsui { Canis rabidi / Linguæ, & cor. / Vespertilionum } 138
Morsui aliorum quadrupedum rabidorum 139
Masticatorij materia, 241
Malactica, 288
Menses mouentia, 333

N

NEruis appropriata, 62
Nephritica cal. simpl. 113
Composita, 114
Nephritica frigida, 115
Composita, 116
Nucis vomicæ veneno oppos. 134
Nappelli venen. oppos. ibid.

O

OPhtalmica, 66
Opij veneno opposita, 131

P

PEctoralia calida simpl. 73
Composita, 74
Pectoralia frigida simplic. 75
Composita, 76
Psyllij veneno opposita, 134
Phalangiorum morsui, 137
Pinguantia, 176
Preparantia pituitam in cap. 201
in Epilepsia, 202
in Neruorum affectibus, ibid.
in Soporosis affectibus, ibid.

in

in Corde, 203
