Viri venerabiles [illegible] dei
Spiritus altissimi [illegible] dei
Charitatis radio fulgentes et spei
Auribus [illegible] verba oris mei

Vos in [illegible] domino servitis
Vos vocavit palmites [illegible] vitis
Cavete ne steriles aut manes sitis
Si [illegible] vero stepate vivere velitis

Vos estis catholici legis protectores
Sal terre lux [illegible] ovium pastores
Mundi domus [illegible] morum correctores
Iudices ecclesie gentium doctores

Si cadat protectio legis lex labetur
Si sal evanuerit in quo salietur
Nisi lux appareat via nescietur
Nec si pastor vigilet caula confregetur

Vos [illegible] vineam dei procurare
Quam doctrine revolis debetis erigare
Spinas atque tubulos prossus extirpare
Ut radices fidei possent germinare

Vos estis in area boves triturantes
Prudentes a palea grana separantes
Qui habent pro speculo legem ignorantes
Laici qui fragiles sunt et inconstantes

Quicquid vident laici vobis displicere
Dicunt procul dubio sibi non licere

Dicit quod vos in opere [illegible]
Credunt esse licitum et culpa carere

Cum pastores ovium estis constituti
Non estote desides sicut canes muti
Vobis non deficiant latrantes acuti
Lupus rapax [illegible] et ovium salutis

Grex fidelis [illegible] cibo sustentur
Corpore dominico quo solus augetur
Sermonis compendio quod discretur
Mundano [illegible] ne perdatur

Quibus [illegible] vestris predicare
[illegible] quibus qualiter quando [illegible]
Debetis sollicite preconsiderare
Ne quis in officio [illegible] vos errare

Spectat ad officium vestrum [illegible]
Gratis petentibus dona dare gratis
Sed si [illegible] munera fidei [illegible]
Incursuros [illegible] vos [illegible]

Gratis eucharistiam plebi [illegible]
Gratis confitemini gratis [illegible]
Et secundum [illegible] gratis
[illegible] bonum [illegible]

[illegible] religiosa
[illegible] vita [illegible]
[illegible] habitus [illegible]
[illegible] vos [illegible]
